

XM Radio is the answer for today's automobile driver. The freedom to choose one's genre of music, news and entertainment is invaluable. The Instant Traffic and Weather is the icing on the cake. Now I don't have to hear about traffice and weather unless I want to hear it. Please don't strip this convenience and benefit from all of us loyal XM listeners. Let's not forget the fact that XM listeners voluntarily pay for this service and deserve to have all the amenities that come with it.
